WARRANT

STATE OF NEW HAMPSHIRE

Town of Newmarket

To the Inhabitants of the Town of Newmarket in the County of Rockingham in said State, qualified to vote in town affairs:

You are hereby notified to meet at the Town Hall in said town on Tuesday, the 9th day of March, to act on the following subjects:

(Polls will be open from 10:00 a.m. to 6:00 p.m.)

1. To choose all necessary Town Officers for the ensuing year.

2. To raise such sums of money as may be necessary to defray town charges for the ensuing year; as may be necessary for General Government including Town Officers' salaries and expenses, election and registration, town buildings, for the protection of person and property, including the Police Department, for health and sanitation, vital statistics, general expense of the departments, for education and the public library; for charities, including the decoration of soldiers' graves; for recreation; for cemeteries; for interest; for new construction and improvements, for indebtedness to other governmental divisions and to pay all other necessary charges arising within said town.

3. To see if the town will vote to authorize and empower the Selectmen to borrow money for necessary expenditures; in anticipation of the collection of taxes.

4. To see if the town will vote to allow a discount of two percent (2%) on all taxes except poll and head taxes, if paid within fifteen days after receipt of bill.

5. To see if the town will vote to accept the budget as submitted by the Budget Committee.

6. To see if the town will vote to pay members of the Fire Department \$97.00 in addition to that required by law. (Recommended by the Budget Committee).

7. To see if the town will vote to appropriate the sum of \$5,500.00 for the purchase of a dump truck for the highway department and to authorize and direct the trustees of the capital reserve fund of the Public Works Department to pay the sum into the general fund of the town so that the cost of this truck will not be raised by taxation. (Recommended by the Budget Committee).

8. To see if the town will vote to raise and appropriate the sum of \$5,000.00 to test for a new source of water. Said sum to be paid to the Newmarket Water Works. (Recommended by the Budget Committee).

9. To see if the town will vote to raise and appropriate the sum of \$100.00 as authorized by RSA 31.4, paragraph III, for the annual budget of the Seacoast Regional Development Association. (Recommended by the Budget Committee).

10. To see if the town will vote to raise and appropriate the sum of \$5,000.00 to contract for operation and maintenance of a municipal ambulance service under regulations to be promulgated by the Selectmen. (Recommended by the Budget Committee).

Given under our hands and seals this 22nd day of February, in the year of Lord, nineteen hundred and sixty-five.

GEORGE HAUSCHEL
F. ALBERT SEWALL
NICHOLAS ZUK

Selectmen of Newmarket, N. H.

We hereby certify that we gave notice to the inhabitants within named, to meet at the time and place and for the purpose within mentioned by posting an attested copy of the Warrant at the place of meeting within named, and a like copy at the Post Office. Being a public place in said town, on the 22nd day of February, 1965.

PROGRESS REPORT FROM THE OFFICE OF THE SELECTMEN

The Selectmen respectfully submit to the citizens of the Town of Newmarket, a summary of the projects that were undertaken during the past year.

With the assistance of Green Engineering Affiliates, your Board of Selectmen spent considerable time on the final study of the sewer system to insure that the proper and best type disposal plant to suit our needs will be built. Visits to several towns to re-check which type of system that would best suit our requirements were made to Kennebunk, Maine, Pease Air Force Base, Dover, Durham and Derry. It has been decided to use the digestive treatment plant.

Land for the sewerage treatment plant has been purchased from Alice, Gerard and Gustave Moreau and Rena Young. All titles have been searched and bounds surveyed.

We were able to obtain more betterment money from the State of New Hampshire for highway improvements. This was used on Route 152.

A new truck was purchased for the Department of Public Works from Capital Reserve Funds. Bids for the same were sent out and the contract was awarded to Great Bay Motor Company.

The underpass on New Road at the Labonte Farm has been filled and re-surfaced, thus eliminating a dangerous condition especially when traffic has to be re-routed due to any trouble at the Exeter Street Railroad Road Crossing.

Due to the severe drought last year, a pond was dug out at the Town Dump. We felt that this was a necessary project as the Fire Department had spent over 150 man hours putting out brush and wood fires caused by the fires burning at the dump. This did away with the hauling of

water with the tank truck. Also, new dumping hours were put into effect, which did help.

Major repairs were done by the State Department of Public Works and Highways on the easterly abutment of the Durham Side Bridge. Acceptance and maintenance by the State proved to be a great savings to the Town.

An ambulance contract was drawn up between the Board of Selectmen and Brisson & Kent providing the town with the continuance of their ambulance services. All of this was approved by the Ambulance Committee.

The police station hall, court room, and rest rooms in the Town Hall building have been painted. New inside and outside doors for the main entrance of the town hall have been ordered. This work will be completed in 1965.

During the month of October, with the cooperation of the Board of Selectmen from Newfields, we perambulated the lines between Newfields and Newmarket.

We have extended the hot top avenue at the Riverside Cemetery and plan to continue with this work next year.

We have completed tarring a portion of Lang's Lane with T. R. A. Funds. This is a great improvement for the residents living in that area.

The water main on Lee Road was extended another 1,000 feet and a hydrant installed.

The extension of the road at Maplecrest was graded and surfaced, approval of this work being given by Article 12 in the Warrant of the 1953 Town Meeting.

Construction has been started for a new bridge on the Piscassic River on the Neal Mill Road by the Department of Public Works. This project will be completed in 1965. Neal Mill Road is a connecting road between Newfields and Newmarket.

Our regular meetings are held on the first and third Tuesday of each month. All meetings are open to the public and we welcome your attendance. We wish at this time to thank all the townspeople and town officers for their help in making the past year's work a more pleasant and gainful task.

**DIVISION OF MUNICIPAL ACCOUNTING
STATE TAX COMMISSION
Concord, New Hampshire**

Summary of Findings and Recommendations

February 11, 1965

Board of Selectmen
Newmarket, New Hampshire

Gentlemen:

Submitted herewith is the report of an examination and audit of the accounts of the Town of Newmarket for the fiscal year ended December 31, 1964, which was made by this Division in accordance with the vote of the Town. Exhibits as hereafter listed are included as part of the report.

SCOPE OF AUDIT

Included in the examination and audit were the accounts and records of the Board of Selectmen, Treasurer, Tax Collector, Town Clerk, Public Library, Municipal and District Courts, Trustees of Trust Funds and Special Sewer Construction Fund Account.

FINANCIAL STATEMENTS

Comparative Balance Sheets:
December 31, 1963 — December 31, 1964:

(Exhibit A-1)

Comparative Balance Sheets for the fiscal years ended December 31, 1963 and December 31, 1964, are presented in Exhibit A-1. As indicated therein the financial condition of the Town changed from a Surplus of \$6,100.56, to a Net Debt of \$52,973.79, in 1964.

Analysis of Change in Financial Condition:
(Exhibit A-2)

An analysis of the change in financial condition of the

Town during the year is made in Exhibit A-2, with the factors which caused the change indicated therein. These were as follows:

Decrease in Surplus (Increase in Net Debt)	
Temporary Loans Issued in Anticipation	
of Bond Issue (Sewer Const. Acct)	\$60,037.50
Tax Collector's Excess Debits	8.18
Tax Liens transferred to Tax Deeds	452.48
	<hr/>
	\$60,498.16
Increase in Surplus (Decrease in Net Debt)	
Net Budget Surplus	\$ 1,423.81
	<hr/>
Change in Financial Condition	\$59,074.35

Comparative Statements of Appropriations
and Expenditures — Estimated and Actual Revenues:

(Exhibits A-3 and A-4)

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended December 31, 1964, are presented in Exhibits A-3 and A-4. As indicated by the budget summary (Exhibit A-4), a revenue surplus of \$3,685.34, less a net overdraft of appropriations of \$2,261.53, resulted in a net budget surplus of \$1,423.81.

Summary Statement of Receipts and Expenditures:
(Exhibit B-1)

A summary statement of receipts and expenditures for the fiscal year ended December 31, 1964, made up in accordance with the uniform classification of accounts, is presented in Exhibit B-1. Proof of the Treasurer's balance as of December 31, 1964, is indicated in Exhibit B-2.

Special Sewer Construction Fund Account: (Exhibit H)

A statement showing the activity in the special sewer construction fund account during the year is contained in Exhibit H.

AUDIT PROCEDURE

The accounts and records of all town officials charged with the custody, receipt and disbursement of public funds were examined and audited. Vouchers and cancelled checks were compared with supporting invoices and payrolls as well as entries in the books of record. Receipts were checked by source insofar as possible and totals of receipts and expenditures verified. Book balances were verified by comparison with reconciled bank balances made from statements obtained from depository banks. Verification of uncollected taxes was made by mailing notices to delinquent taxpayers as indicated by the Collector's records. The amounts of uncollected and unredeemed taxes as indicated in this report are therefore subject to any changes which may be necessitated by the return of verification notices.

CURRENT SURPLUS

The current surplus (excess of total assets over current liabilities) increased by \$963.15, from \$6,100.56 to \$7,063.71, in 1964, as shown herewith:

	12-31-63	12-31-64
Total Assets	\$137,047.95	\$180,643.38
Current Liabilities	\$130,947.39	\$173,579.67
Current Surplus	\$ 6,100.56	\$ 7,063.71

Appropriation Overdrafts and Application of Municipal Budget Law

It is noted that in the fiscal year ended December 31, 1964, there was a net overdraft of appropriations amounting to \$2,261.53. In other words — total expenditures exceeded total appropriations by this amount as indicated herewith:

Overdrafts of Appropriations	\$7,709.31
Unexpended Balances of Appropriations	5,447.78
Net Overdraft of Appropriations	\$2,261.53

In accordance with the provisions of the Municipal Budget Law (R.S.A. 32:10) whenever an emergency arises which involves the expenditure of funds in excess of budgetary appropriations, the board of selectmen with the approval of the budget committee, should make application to the Tax Commission for a certificate of emergency authorizing such excess expenditure. This requirement of the law was not complied with.

CONCLUSION:

The provisions of Chapter 184 of the Laws of 1955, require that this report or the summary of findings and recommendations (letter of transmittal) shall be published in the next annual report of the Town.

We extend our thanks to the officials of the Town of Newmarket for their assistance during the course of the audit.

Yours very truly,

HAROLD G. FOWLER, Director
DIVISION OF MUNICIPAL ACCOUNTING
STATE TAX COMMISSION

ANNUAL REPORT OF THE BOARD OF WATER COMMISSIONERS

It is with mixed emotions that we report on the activities of the Board of Water Commissioners for 1964.

A telemetering system was installed in March which accurately records the contents of the standpipe, permitting the operators at the pumping station to keep our supply at any desired level.

The six-inch main on Epping Road was extended as far as the Norman Mongeon residence, and a hydrant installed for added area fire protection. This main will be extended in 1965 as far as the residence of Harold Szacik at the expense of owners of adjacent property. This generous gesture, which further provides future home builders with the opportunity to hook up to the main at only the regular fee, is a money saver for the town.

Confronted with one of the driest years in history and progressively diminishing water supplies, as is the entire nation, the Commissioners took positive action in its search for water to satisfy the needs of domestic demands and future industrial growth. Acting on the advice of engineers from the State Board of Health, the Chapman Well Company and G.S.A. coupled with geographic indications and available technical reports we secured 8 options on the land of probable well sites. A total of 25 test wells were driven; resulting in two good possibilities. Prospects on the land owned by Rodney Sewall appeared very favorable and an 8-inch well was driven after test sample forwarded to the State Board of Health indicated the water was "excellent in every respect", to quote the State Senior Sanitary Engineer. Encouraged by this report we completed negotiations to conduct test pumping to determine the quantity of water available. We experienced nothing short of perfection and the promise of realization of our hopes — until the sixth

day of pumping at which time test samples proved to contain excess iron content. Defeat?? Heck no! This discovery averted a later financial catastrophe — but the effort to discover water must continue!!

In order to maintain a semblance of sustained motion in behalf of this project we have submitted an article in the Warrant that would provide \$5,000.00, not for the extension of mains as in the past few years, but for a continuance of test borings in quest of water.

The Water Commissioners solicit your continued support of this search while expressing our appreciation for the excellent cooperation and support we have been accorded during 1964.

Respectfully submitted,

Board of Water Commissioners

FRED J. DURELL

IN MEMORY

OF

Fred J. Durell

We, the Selectmen of the Town of Newmarket, respectfully dedicate this Town Report to the fond memory of Fred J. Durell.

Mr. Durell served the people of this community many years. He was assistant cashier, cashier, director, president and honorary chairman of the former New Market National Bank. Also, he was an agent and director of the Rockingham Farmers Mutual Insurance Company; and he served as president of the F. J. Durell Insurance Corporation. He was past treasurer and commissioner of the Newmarket Waterworks, trustee of the trust funds, and town treasurer.

LIBRARY REPORT

The Board of Trustees submits the following report on improvements and activities at the Newmarket Public Library.

All interior surfaces of the Tower Room have been thoroughly washed, one coat of paint applied to the walls, and the draperies dry-cleaned.

The board has selected the Estey Corporation of New Jersey, manufacturers of library equipment to furnish the first of several new steel bookstacks. This double-faced stack consists of three units, 90 inches high with a capacity of 1500 volumes. A sum of money will be budgeted annually until this project is completed according to floor plan.

Since January first, Mr. Fred L. Beale has assumed the duties of janitor, replacing Mr. Roger Cardin, who found it necessary to resign.

Respectfully submitted,

We went through 1964 with a good record as to the number of fires. This, we feel, is due in a large measure to the fine cooperation of the townspeople. Your willingness to cooperate by getting permits for outside fires, burning in the late afternoon when the wind has died down, your alertness in reporting fires promptly when they can be controlled with less loss and damage — all these small efforts on your part help to lower the cost of fire protection in the community. Numbers to call for permits are: 659-3286 or 659-3216.

1964 was very dry and the forest fire danger became so serious at times that it was necessary to ban the lighting of outside fires. Your cooperation on these occasions kept the fire loss at a minimum. During the fire bans the town dump became a source of trouble, thoughtless dump users started fires there which spread to nearby woodlands. The fire department spent 150 man-hours at the dump.

Five men attended the fire training school at Fitzwilliam, N. H., sponsored by the New Hampshire Fire Chief's Club. These classes gave those attending them an opportunity to fight various types of fires and to gain experience in different phase of fire-fighting, such as ladder work, pump operation, and smoke mask usage. This schooling has the

added value of being taught by men who have had practical experience in the field.

Under a plan of teaching fire fighting techniques sponsored by the State, a class on the operation of pumps was held in Newmarket. Much practical and valuable information is obtained from these sessions, more of which will be held in the future and which will cover other areas of fire-fighting.

A forestry truck was bought with money in the Capital Reserve Fund. This is a handy, flexible truck that proves useful in the fighting of brush fires. Several hundred feet of 1 1/2" hose was bought. Protective clothing such as coats, boots, quick-hitches were bought. A few each year will later find the department well equipped. Two new fire alarm boxes were bought to replace some of the old ones. In a few years all of the street boxes will be new and our fire alarm system a step nearer to being a modern efficient one.

If anyone has any ideas that would be of benefit to the fire department, let them be known. The Board of Engineers is willing to work with our fellow citizens to form and maintain a good, efficient department at a minimum cost.

REPORT OF CIVIL DEFENSE

Organization:

Local Civil Defense Director: The Local Director is the person chosen by the Selectmen to head and organize the Local Civil Defense Organization. His duties and responsibilities parallel those of the State Director of Civil Defense. The post is one of honor and the Director should have the confidence of the townspeople. In an emergency, his duties would be many and arduous.

A Control Center must be established. This Control Center may be located in any suitable public building. It will be headquarters for the Director and his staff and be equipped with communications and auxiliary power. Signs should be erected to show its location. The Control Center for Newmarket is located at the fire house.

Summary of Findings and Recommendations

July 30, 1964

The School Board
Newmarket School District
Newmarket, New Hampshire

Gentlemen:

Submitted herewith is the report of an examination and audit of the accounts of the Newmarket School District for the fiscal year ended June 30, 1964, which was made by this Division in accordance with the vote of the District. Exhibits as hereafter listed are included as part of the report.

SCOPE OF AUDIT

Included in the examination and audit were the accounts and records of the School Board and the School District Treasurer.

FINANCIAL STATEMENTS

Comparative Balance Sheets: (Exhibit A)

Comparative Balance Sheets as of June 30, 1963, and June 30, 1964 are presented in Exhibit A. As indicated therein the Net Debt increased by \$8,751.03 during the fiscal year ended June 30, 1964.

Analysis of Change in Financial Condition: (Exhibit B)

An analysis of the change in financial condition of the School District during the year is made in Exhibit B, with the factors which cause the change indicated therein.

Comparative Statements of Appropriations and Expenditures — Estimated and Actual Revenues: (Exhibit C & D)

Comparative statements of appropriations and expenditures estimated and actual revenues for the fiscal year ended June 30, 1964, are presented in Exhibits C and D. As indicated by the Budget Summary (Exhibit D), a revenue surplus of \$2,524.26, plus a net unexpended balance of appropriations of \$4,030.86, resulted in a net budget surplus of \$6,555.12.

Summary Statement of Receipts and Expenditures: (Exhibit E-1)

A summary statement of receipts and expenditures for the fiscal year ended June 30, 1964, made up in accordance with the uniform classification of accounts, is included in Exhibit E-1. Proof of the Treasurer's balance as of June 30, 1964, is indicated in Exhibit E-2.

Statement of Bonded Debt: (Exhibit F)

A statement of outstanding bonded indebtedness of the School District as of June 30, 1964, showing annual debt service requirements, is contained in Exhibit F.

Statement of School District Tax Account: (Exhibit G)

A statement of the School District Tax account with the

Town of Newmarket is presented in Exhibit G. As indicated therein, as of June 30, 1964, the School District had received from the Town the total of the 1963-64 School Tax amounting to \$160,490.24. In addition to this an advance on the 1964-65 School Tax in the amount of \$192.49 was received. This is included as a liability account in the Balance Sheet of June 30, 1964. (Exhibit A).

Student Activity Association Accounts: (Exhibit I)

A statement of the Student Activities Association accounts for the fiscal year ended June 30, 1964, is included in Exhibit I.

GENERAL COMMENTS

Current Surplus :

The current surplus (excess of total assets over current liabilities) increased from \$2,945.26 to \$6,639.23, during the fiscal year ended June 30, 1964, as shown herewith:

	June 30, 1963	June 30, 1964
Total Assets	\$11,801.94	\$ 7,119.36
Current Liabilities	8,856.68	480.13
Current Surplus	<u>\$ 2,945.26</u>	<u>\$ 6,639.23</u>

Conclusion:

The provisions of Chapter 184 of the Laws of 1955, require that this report or the summary of findings and recommendations (letter of transmittal) shall be published in the next annual report of the School District.

We extend our thanks to the officials of the Newmar-

ket School District for their assistance during the course of the audit.

Yours very truly,

HAROLD G. FOWLER

SUPERINTENDENT'S REPORT

Uppermost in everyone's mind at this time is the new building program. Thus, this report will be brief and concise.

After nearly three years of conscientiously studying Newmarket's complex educational building problem, I am thoroughly convinced that the proposal we are offering to you this year is the very best plan possible. It is economically feasible and educationally sound. Therefore, I strongly urge every citizen of Newmarket to attend the meeting on March 16 and to indicate his endorsement by voting yes.

In closing, I once again wish to thank your truly dedicated school board, your administrators, teachers, and all school personnel for their continued cooperation in helping to make the difficult task of being superintendent in seven towns, a more enjoyable one.

Respectfully submitted,

FRANCIS C. WILSON

Superintendent of Schools

REPORT OF THE NEWMARKET SCHOOL BOARD

Last year the School Board reported that new plans would be studied concerning the housing of our increasing school population. The Board together with an able Citizens Committee, have worked many hours considering a variety of plans to handle the problem. Consultation with the State Department of Education produced the recommendation that elementary school construction would be less expensive and would always be useful in Newmarket. It was felt that this type of building should be further investigated and with that in mind four architects were interviewed and one was picked to draw preliminary plans. About nine different plans were worked on before one was accepted by the group. This plan was approved by the State Department of Education.

The final plans together with cost figures, etc., are being submitted to you in the Warrant which you will find elsewhere in this District Report.

The Board and Building Committee strongly recommend the construction of an elementary school building and the indicated modifications to the high school. These plans will allow for a number of alternate arrangements in the future should further expansion be necessary, so that the set of buildings should not become obsolete as they have in some towns where additions have been made to existing structures.

The Board wishes to thank the Building Committee for its long faithful service. To Superintendent Wilson, Principals Landroche and O'Connor, the teachers, the health staff, custodians and P.T.A., go our sincere thanks. We would also like to thank the Board of Selectmen for their cooperation.

Respectfully submitted,

SCHOOL REPORT

To the School Board, Superintendent, and Citizens of the Town of Newmarket:

School opened this year on September 9, 1964. The teaching staff consisted of Miss Beatrice Scammon, Grade 1A; Mrs. Shirley Cobb, 1B; Miss Mary Hartnett, 2A; Mrs. Lucile Partridge, 2B; Mrs. Jane Siegel, 3A; Mrs. Margaret Sewcyk, 3B; Mrs. Rita O'Connor, Grade 4; Mrs. Ruth Robie, Grade 5; Mrs. Mildred Rooney, Grade 6; Mrs. Mary Kinch and Mr. Emmett O'Gara, High School English; Miss Carolyn Smet, Home Ec; Mr. Dana Wyman, Trades and Industry; Mr. Ethan Pearson, Science and Math; Mr. Melvin Cross, Physical Education; Mr. Chester Jablonski, High School Math; Mrs. Virginia Gay, High School Science; Miss Janet Davis, 7th and 8th Grade Social Studies and English; Mr. Paul Cotton, High School Social Sciences; Mr. Robert Fournier, French; Miss Matilda McDonough, Commercial; Mr. Arthur Lucier, Guidance; Mr. Ronald Huntington, began the year as Music Supervisor and resigned in December to enter private industry. He was replaced by Mr. Winslow Sawyer.

Changes and Improvements

Working together Mr. Cardin and Mr. Harclerode re-finished the gym floor and painted new lines. A new light was installed in the nurses room and the black pipes in the high school were painted. In order to make room for another grade, hot lunch room was refinished and blackboards and bulletin boards were installed. Mr. Wyman, shop teacher at Newmarket High did a considerable amount of painting in the shop and rewired many of the machines.

Since a guidance program consists of individual consultations and testing, it assumes the appearance of routine activity. This year, however, we have expanded our eight

grade testing to include St. Mary's School, and are making use of subject-matter standardized tests. These latter tests are given at the end of each semester. The same test is never given more than once.

The anti-poverty legislation of the Federal Government has placed much emphasis on the guidance of youth. This has suggested reappraisal and preparation for participation in a government sponsored program.

In closing we wish to thank the members of the School Board, Mr. Wilson, Superintendent of Schools, Mr. Lucier and the many organizations and individuals that have been such a great help to us this year.

Respectfully submitted,

LEO A. LANDROCHE

SCHOOL HEALTH PROGRAM — 1964

To the School Board and citizens of Newmarket:

It is a sincere privilege to be able once again to submit this, my annual report of the school health services of this town.

PRE-SCHOOL CLINIC

In May, 37 children registered at the Central School. They spent the day at the school where vision tests were done, height and weight was checked, and health records were started. At St. Mary's School, 39 children were enrolled.

Children who will enter school in September of 1965 must be 6 years of age before January 1, 1966. They must have a smallpox vaccination. It would be wise to have their booster DPT inoculations, and their polio immunization up to date before school opens as an added safeguard to their continuing good health.

TUBERCULIN TESTING PROGRAM

This program is an important part of the regular health check-up. Testing is one of the modern ways of finding unrecognized tuberculosis. In November, 1964, a total of 220 students and teachers were tested by the Heaf method. This is a test which consists of pressure points on the skin that are read in 5 days. We had four positive reactions. These four persons were sent to Portsmouth for chest X-rays which were negative.

PHYSICAL EXAMINATIONS

The program of routine physical examinations to all children in grades 1, 4, 7 and 11 and all athletes is continuing with Dr. Charles Kurth, the school physician in attendance. Urine tests are completed at the same time. Par-

ents are notified immediately if any defects are found. The following examinations were done:

January-December, 1964:

High School — 89 examined; Defects: 4 decayed teeth, 1 tonsils.

Central School — 109 examined; Defects: 4 decayed teeth.

IMMUNIZATION CLINICS

In the spring, a series of immunization clinics were held at the fire station. The following inoculations were given:

DPT and DT boosters: 233

Re-vaccinations: 69

Sabin oral vaccine, Types 1, 2, 3; 228

HEALTH INSPECTIONS

These are the routine health examinations done by the school nurse periodically throughout the school year. They include height and weight; hair, skin and nutrition check-ups; and vision and hearing tests. The examinations completed include the following:

In closing, please remember — don't send your children to school if they are ill, but don't let them stay home if

they aren't. Once again, let me express my gratitude for your help and cooperation during this past year. If you ever have any questions concerning the health of your child and the services offered by the school and state, please don't hesitate, call me.
